Cobalt's Laundry Trailer

Our Laundry Trailer, powered by a 70kw generator, is equipped with 10 stackable front loading 2016 GE washers and dryers offering 24/7 self-service or full-service laundry accommodations. Our Laundry Trailer typically supports emergency incidents for Cal Fire, US Forestry, and other government agencies and businesses for situations where power and water sources and needed amenities are limited or unavailable.

48' Great Dane Type 2 Mobile Laundry Trailer
